

TRANSCRIPTS

TUNNEL

Let us listen (refer to page 153)

A famous museum in your town is organising a treasure hunt in the museum premises. You and your friends decide to participate in it. Upon arrival, you find that there are many other teams. Each team is given an audio guide (recorded information) and a map to the museum.

1. Look at the map given below. Try and predict what each of the rooms might be.
2. Listen to the audio recording and as you listen, mark your map with the route to take to find the treasure. To help you, the names of a few rooms in the museum are given below. Now listen to the audio and mark the various rooms.

Welcome to the City Museum. We start our tour at the entrance hall. Here you will find the information booth and a display devoted to the history of this museum. To the right of the Entrance Hall you will find the (i) library. On the left is the museum shop. Go straight from the Entrance Hall till you reach the (ii) Art Gallery. The gallery is famous for its collection of rare paintings from various parts of India. There are three doors that lead out of the Art Gallery. The first door on the left leads to the Decorative Art Gallery, where you will find items like jewellery, carvings, and textiles from Medieval India. The next door is temporarily closed due to renovation work. The third door on the right leads to the (iii) Weapons Room, where you will find an extensive collection of Indian weapons including bows, swords, shields, and helmets. From the weapons room take a left turn. You will find the world-famous (iv) Musical Instruments Section, where you can find musical instruments from every country in the world. The second room to the left in this gallery will take you to the (v) Auditorium. Hidden here is your treasure! All the best to all. May the best team win!

TRAVEL

Let us listen (refer to page 162)

1. Listen to this announcement made in the morning assembly about a school trip to the National Science Centre. As you listen, circle the words that are not correct.

Good morning students!

I have some very exciting news to share with you all. The much-awaited educational trip to the National Science Centre will be held on 16 September, that is in two weeks! As you know this would be a fantastic opportunity to explore and learn more about the world around us.

We will be starting from school at 8.00 in the morning and return by 5.30 in the evening. All of you must be in proper school uniform. Don't forget to carry your identity cards. Light refreshments will be provided at the museum. But do carry a water bottle and a packed lunch. You are not permitted to wear any jewellery or carry mobile phones. You may carry a notebook and a pen to make notes. Interested students must bring a permission slip signed by your parent and submit them to their class teachers by 10 September. It is going to be a fun trip so don't miss out. If you have any more questions, please contact Mr. Mukherjee, the excursion in-charge.

2. Now, listen to the announcement again and rectify the sentences.

CONQUERING THE SUMMIT

Let us listen (refer to page 173)

You will listen to five speakers share their opinion about adventure sports. As you listen match the statements 1–8 with the speakers (i)–(v). There are three extra statements that you do not need.

SPEAKER (i): As a parent, I fear the risks involved, especially with activities like rock climbing or paragliding.

I'm quite worried about the safety risks of adventure sports. It's important to consider these risks before letting children participate.

SPEAKER (ii): Adventure sports are thrilling! All my friends agree; it is amazing. It's not just about fun; it's about pushing your limits and experiencing something new. I think it's worth trying, of course, with a trainer.

SPEAKER (iii): As organisers of adventure camps, we take safety very seriously. Our team ensures all equipment is regularly checked and maintained. Participants are given thorough training and are always supervised by professionals. We focus on minimising risks while still providing an exciting experience.

SPEAKER (iv): At our school, we organise adventure camps with activities like trekking and zip-lining. However, we stick to basic sports that are safe and manageable for students. We always prioritise safety, ensuring that all necessary precautions and measures are in place. Being careful is what we promote.

SPEAKER (v): In my opinion, sports should be about fitness and enjoyment, like track and field or swimming. Why risk your life for a fleeting moment of thrill just for a feeling of adventure? Traditional sports are safer and just as fulfilling!
